## Education

Degree	Institute/Board	CGPA/%	Year
B.Tech., CSE	Netaji Subhash Engineering College	7.39	Jul, 2025
Higher Secondary	Purba Chilka Lal Chand High School(H.S)	94	July, 2022
Secondary	Purba Chilka Lal Chand High School(H.S)	88	july, 2020

## Projects

### Project A: Music App

sept 2024

Links: [GitHub](#) — [Live Demo](#)

Tools: HTML, CSS, JavaScript.

- Developed a fully functional, responsive music player web application using vanilla JavaScript.
- Implemented features including play/pause, next/previous track navigation, progress bar control, and dynamic song loading.

### Project B: Myntra Clone

sept 2024

Links: [GitHub](#) — [Live Demo](#)

Tools: HTML, CSS, JavaScript.

- Developed a fully responsive e-commerce website inspired by Myntra, showcasing product listings, filtering, sorting, and product detail views.
- Designed with mobile responsiveness and user-friendly layout for a seamless shopping experience across devices.

### Project C: Password Generator

Aug 2024

Links: [GitHub](#) — [Live Demo](#)

Tools: HTML, CSS, JavaScript.

- Developed a secure password generator that allows users to create strong and customizable passwords with adjustable length and character types.
- Implemented features such as uppercase, lowercase, numbers, and symbols toggling using checkboxes.

## Skills

**Programming Languages:** [C++, Java, C, Python]

**Web Technologies:** [ HTML, CSS, Bootstrap, Tailwind css, JavaScript, TypeScript, React]

**Database Systems:** [ MySQL ]

**Tools:** [ VS Code, GitHub ]

**Subjects:** [ Data Structure and Algorithms, Object Oriented Programming, Operating System, Database Management System, Computer Networks ]

## Certifications

Data Structure and Algorithm

May 2023 - Feb 2024

Complete web development course

Jun 2024 - July 2025

## Coding Profiles

LeetCode – *Dipanpramanik*

GeeksforGeeks – *myselfdmf1g*

Coding Ninjas – *Dipan*
